

God's Covenant (Adult Sunday School)
How to be Christ's Disciples
Daily Prayer Devotional

The Kuki language is used primarily in Northeast India, in the region that extends between Bangladesh and Myanmar. Dr. T. Lunkim leads Kuki Christian Church Mission that operates from Imphal in Manipur state. KCCM reaches into remote areas of the Kuki people, crossing borders when needed. LATM has helped with a variety of books for that people group, and now have three more that need funds. Book Club donations in March will be used to print 3,000 copies of each of the three titles.

When Dr. Lunkim heard that we would help, he wrote, *At this very moment your email is received as a God sent message. Because two Sunday school lesson books and a daily prayer book are very urgently needed for the churches.*

The books will be a great help to the churches, he added, and the Sunday school attendees will be happy to have them!
