

The Reason for God: Belief in an Age of Skepticism, Timothy Keller

Praying with the Grain: How Your Personality Affects the Way You Pray, Pablo Martinez

Cross on a Hill: A Personal, Historical and Biblical Quest for the True Meaning of a Controversial Symbol, Slavko Hadzic, Joshua Irby

The Reason for God is a modern *Mere Christianity*, covering common objections to show that belief in God is reasonable. Our partner, Samuil Petrovski, says, *We are always looking for resources for our outreach to non-Christian students, as well as to prepare our Christian students to explain and defend their faith.*

Praying with the Grain combines Dr. Martinez' medical and pastoral knowledge to look at the effect of personality on prayer life. In his 2017 visits, his talks resonated with Serbians and helped their personal walk with God. Believers there struggle, as everywhere, finding time and focus for prayer and Bible reading. He is willing to visit Serbia in 2019 to help the book reach a wider audience.

Slavko Hadzic, a former crime boss turned pastor, shares his journey to Jesus in ***Cross on a Hill***, punctuated with historical and theological reflections on the cross by Joshua Irby. Slavko has shared his story in universities, impacting young people all over Europe. Samuil says, *This easy-to-read resource, written by an author from the Balkan region, will have a powerful impact on students we work with.* Learn more in this video at bit.ly/2L2la06.
