

Life of Christ Visualized in 11 languages

This is a big project, spanning 16 years, and getting bigger. LATM's first *Life of Christ Visualized* project was in the Mal language in 2002. Jumping to 2015, a donor in North Carolina was inspired to get the book into Khmer for a little Cambodian girl (picture below) she sponsored. That turned into a project that – when ministries in other languages heard about it – swelled to 20,000 copies in 8 languages.

At the end of 2015, Book Club members helped with the first printing. Another printing of 23,000 is almost done now. It includes 11 languages, four of which are new. Book Club members get to help this project along, too!
