The Plan of Salvation Moses Samol Seth

Moses Samol Seth escaped the Killing Fields of Cambodia in the 1970s, came to the US and planted churches among Cambodian refugees in California. Over a decade ago, Moses returned to Cambodia to evangelize and lead a church planting movement there, now with over 1,700 churches.

Moses has written several books in Khmer to help people know the Lord. LATM has helped him with most of them. His book **The Plan of Salvation** presents the Gospel in culturally sensitive ways that speak to the heart of Cambodians. Moses says about the book:

*The **Plan of Salvation** book is important to help the people of Cambodia understand and know about Jesus. He is the Way, the Truth and the Life who can bring us to the True God. This book is easy for church members to use in reaching lost souls, and for learning how to live the Christian Life. It is easy to present to the Buddhists in the Cambodian culture. Pray with us about it.*

Moses adds this note of thanks:

Thank you for all your help in printing Christian literature. Through your help, many thousands of souls have been saved. Praise to the Living God and our Lord Jesus Christ!

Moses shares the Gospel from his heart to his fellow Cambodians in his native Khmer language.
