

Six volumes of the **Arabic Bible Commentary**
by Safaa Fahmi, et al.

You will recognize this as part of an extensive project that began over five years ago. Book Club members have helped with several volumes of both Old and New Testament commentaries.

A complete commentary set on the Bible is an enormous undertaking, of course. Safaa Fahmi is compiling the work of several international Bible scholars, involving some translation and some original work in Arabic. It will be about 25,000 pages when finished. With these six volumes, the set will be nearly 60% completed!

Safaa says, It is a big, difficult, costly project, but making the Word of God easy to understand is the best way to communicate the Good News to the Arab world. He adds, I deeply appreciate your help. We thank you for all your efforts to make the Arabic Bible Commentary a reality that will last through the centuries.

Book Club donations in June will help with 3,000 copies each of *Commentary on Ecclesiastes and Song of Solomon, Commentary on 1 Kings, Commentary on 2 Kings, Commentary on 1 Thessalonians, Commentary on Titus, and Commentary on Esther.*
