

Arabic Bible Commentaries on Leviticus, Daniel, Luke, 2 Timothy; Safaa Fahmi, et al.

Child Rearing, Adel Mikhail Aziz

My Child has a Problem, volumes 1-5; Joseph Fayez Habil, Waseem Girgis

Book Club members have helped with the massive Arabic Bible Commentary project before. December's selection includes four more commentaries. These crucial tools will help church leaders throughout the Arab speaking world. Our field partner, Safaa Fahmi, leads a ministry that includes seminary training for men and women through Hope International University - Egypt. This year saw 384 students, with 54 graduates from three countries and 11 denominations.

The six other Book Club titles will help on the other end of that ministry spectrum. Raising children is a universally important task, and parents are glad for every help they get. These six short books will encourage and equip parents for their God-given responsibility in today's world.

Safaa's ministry reached over 30,000 children from four to 14 years old, in 355 VBS programs this year. Safaa noted that they have trained Sunday school teachers through the years, and he is thankful to God for their work in these VBS sessions.

Your December Book Club gift will help publish 3,000 copies each of the commentaries and the parenting booklets.
